Dear Sir:

RESPONSE TO RESTRICTION REQUIREMENT

Applicants are in receipt of the Restriction Requirement dated April 19, 2001 for the above-referenced application.

Applicants respectfully request reconsideration of the Restriction Requirement, particularly for consideration of Groups I, III and IV, at this time, as the Groups are defined in the Restriction Requirement. It is believed that multiple Groups could be searched and examined together without undue burden. For example, Groups III and IV are each dependent from claims of Group I. Additionally, Groups III and IV each have common classification at both the class and sub-class level.

Further, consideration of multiple Groups, at this time, will save considerable time and expense for both Applicants and the U.S. Patent and Trademark Office.

For such reasons, examination of Groups I, III and IV, at this time, is respectfully requested.
